

**The 6th OIE/FAO FMD Reference Laboratories Network Annual Meeting,
Institute for Animal Health, Pirbright, 4-6 October 2010**

Programme*

Expected Meeting Outputs:

- Review and report FMD situation and global serotypes/strains in circulation
- Review and report vaccine strain availability and gaps
- Review and plan laboratory harmonisation and capacity building exercises
- Update on developments in vaccine matching
- Discussion on laboratory training
- Review achievement of objectives set last year
- Review network operation
- Develop work plan for 2011
- Agree steps needed to compile annual report for 2010

- **Outline Plan of Meeting to Deliver This:**
- Regional reports on changes in epidemiological situations and on changes in vaccine strain availability and gaps
- Identify regional laboratory capacity development needs
- Plan how to meet these needs
- Presentations on initiatives underway and relevant research findings
- Prepare action list

Day 1, Monday 4 October 2010		
	Introduction	Jef Hammond (Chair)
10.00–10.15	Welcome to IAH Pirbright	Mike Johnson
10.15-10.30	Aims and objectives for this meeting Aims and objectives for parallel CG meeting	Jef Hammond Keith Sumption
	Global virus circulation / vaccine needs	Jef Hammond (Chair)
10:30-11:00	Overview of world situation in 2010 and WRLFMD vaccine recommendations	Jef Hammond
11.00-11.30	Evolution of FMD virus	Nick Knowles
11.30-11.45	Antigenic Cartography	Anna Ludi
11.45-12.15	Progressive Control Pathway for FMD (PCP) – status, lessons learnt, issues	Keith Sumption
12.15-12.45	OIE/FAO progressive control of FMD: Stages, tools and	OIE

	training	
12.45–13.30	LUNCH	
	Regional virus circulation / vaccine needs	Keith Sumption (Chair)
13.30–14.00	Methodology for FMD mapping and experience in South America and Nigeria.	Ariel Rivas
14.00-15.30	Breakout sessions on regional virus circulation and vaccine priorities	Keith Sumption
15.30-15.45	TEA	
15.45-17.00	Feedback from each group/virus pool	Representative from each virus pool
	Annual network report	Jef Hammond (Chair)
17.00–18.00	Break-out groups to prepare regional reports	Jef Hammond
19:00	DINNER @ HOTEL	

Day 2, Tuesday 5 October 2010		
	Reference Laboratory Network Vaccine Matching Trial	Yanmin Li (Chair)
09.00-09.30	Quality Assurance	Kris de Clercq
09.30–10.30	The ILCE for FMD Vaccine Matching trial 2009 and the plan for the next trial	Yanmin Li
10.30-10.45	TEA	
10.45–12.15	Break-out groups to discuss results and follow-up needed	Yanmin Li
12.15–13.00	Feedback from group work	Representative from each group
13.00–14.00	LUNCH	
Afternoon	WINDSOR CASTLE EXCURSION	
19:00	DINNER @ LOCH FYNE	

Day 3, Wednesday 6 October 2010		
	Work in progress including Regional Lab networks and Harmonisation exercises- 15 minute presentations	Kris de Clercq (Chair)
09.00 -09.15	Test repeatability in WRL	Yanmin Li
09.15–09.30	Eurasia	ARRIAH
09.30–09.45	West Eurasia ((WELNET) and CIS	SAP-I, Turkey
09.45–10.00	South Africa	RRSSA
10.00–10.15	East Africa	Sabenzia Wekesa
10.15-10.30	South America	PANAFTOSA
10.30-10.45	South East Asia	LVRI/Pakchong
10.45-11.00	TEA	
11.00-11.15	Asia South	PDFMD & IVRI
11.15-11.30	North America	PIADC
11.30-12.30	Break-out groups to plan regional harmonisation work	Kris de Clercq
12.30–13.30	Feedback from groups	Representative from each group
13.30–14.15	LUNCH	
	Future Direction and Developments	Jef Hammond (Chair)
14.15-14.45	The formal constitution of the network, governance, MOU/MTA, aims and outputs, 2010 work plan, time and venue for next meeting	
14.45–15.00	The way ahead and feedback from Parallel meeting	
15.00	Closure of the meeting	

* Programme subject to change
